Autoadapt Wheelchair lifts | PUBLIC USE | UVL

Braun UVL®

Free interior space for commercial buses.

The UVL855 mounts in your existing step configuration or a dedicated compartment of a bus, out of sight and out of the way, providing more flexibility in floor plan design.

Quick facts

- Automatic lift, operated by an attendant
- Discrete and out of the way when not in use
- Handheld 3-button pendant control operates all lift functions
- Slip-resistant platform surface
- Smooth quiet operation
- Manual back-up system as a standard feature
- Rattle-free, providing a pleasant quiet ride
- EMC test approved
- CE-marked

To guarantee your safety all Autoadapt products are designed and tested according to current directives and standards.

Specifications
